

Admission Process for Secondary 2024-2025

We believe in

- Working in partnership with parents to nurture and enhance abilities and skills of every child.
- Providing enriching educational experiences that set a firm foundation for on-going learning by promoting self-esteem, building confidence and fostering creative thinking.
- Offering developmentally appropriate curriculum and a play pedagogy that respects and cultivates every child. To identify Child's Multiple Intelligence using the Howard Gardner principles.
- Striving to encourage and feed every child's natural curiosity and inquisitiveness to reach their full potential. Committing to ensure that children thrive in all that they attempt at school with guidance & support to prepare them for life.

We look forward to working together for the optimal growth of our children.
