Parents will be informed in advance if there is any rescheduling.

THE SCHOOL CALENDAR

The School Calendar – is our lifeline. Every entry in the calendar is discussed & planned. The calendar gives us defined objectives.

Without a calendar we will drift. The calendar helps us steer our way through the year.

Please plan your holidays according to the calendar. Leaving early or returning late due to air-lines/ railways/wedding/religious functions is not acceptable.

We expect all parents to teach children that it is very important to maintain discipline in our lives.

First Day of School after any vacation is sacrosanct.

The Last Working Day before a vacation is also sacrosanct.

Parents will have to come to school and give an explanation for any absence.

SCHOOL FEES

School fees will be collected according to the plan provided to the parents at the time of admission or in the beginning of the year.

PENALTY & FINE

There is a penalty for debit request being turned down by the bank due to lack of funds in your account. This carelessness adds a lot of work for the school. Kindly avoid such inconveniences.
